

## License agreement

By using the software, you agree to be bound by the terms of this license. If you have any questions about the terms below, please contact FlippyScripts.com for clarification.

All the Flippy products including Flippy GagTube are allowed to use in unlimited domains for as long as you want. You are also allowed to sell the sites you made with Flippy products. You can call this “owned license” or “developer license”.

However you’re not allowed to sell the product its self (no resale rights). If you would like to earn money selling our products you can do so by joining our affiliate program.

## Updates and support

When you buy a Flippy product you will receive free updates and support for one year. If you need support and upgrade more than one year, you can simply buy one of our service packages (this include free updates for the time period specified in the service package you brought from us)

Note: We do not provide support or upgrades for the sites you sell which include a Flippy product. When you sell sites that include our product or products, it is your responsibility to support them or supply them with upgrades.

## Table of contents

2. Installation
3. Changing Admin Username and Password
4. Site Settings
5. Setting Up Your Facebook App ID
6. Dashboard
7. iDevices “Add to home screen” icons
8. Manage Pending Videos
9. Manage Approved Videos
10. Advertisements
11. Managing Pages

## 01. Requirements

- MySQL (version 5 or higher)
- MySQLi extension
- PHP (Min: version 5 or higher, Rec: version 5.3 or higher)
- Apache Mod\_Rewrite Enabled
- GD Image library

## 02. Installation

Installation is very simple. All you need to do is edit one PHP file and import the SQL dump. For upgrade please read Flippy GagTube Upgrade Guide.

**Step 1:** Create a MySQL database and a MySQL user (with full permissions).

**Step 2:** Extract flippy\_gagtube\_1.1.0.zip file

**Step 3:** Open Flippy GagTube\ftp\new installation\db.php with your favorite text editor.

**Step 4:** Edit your MySQL database information and save.

**Step 5:** Import/execute the SQL file located in Flippy GagTube\database.

**Step 6:** Open Flippy GagTube\ftp\new installation folder and upload the entire content to your web server.

**That's it you done installing the script.**

## 03. Changing Admin Username and Password

Now that you're done with the installation it's time for you to change default username and password for the admin control panel.

**Step 1:** Point your browser to <http://www.yoursite.ext/admincp>

**Step 2:** Login using default username: admin and default password: admin

**Step 3:** Navigate to "Admin" tab using the main navigation bar.

**Step 4:** Make the desired changes.

## 04. Site Settings

By using site settings you can add/update site settings.

**Step 1:** Navigate to "Settings" using the navigation menu.

**Step 2:** Follow the steps below to configure your site.

- Site Name – Enter your website name here
- Logo – Upload your site logo here (Please use a .PNG file 182px × 47px)
- Site URL – Enter your website URL (Without "http://" and end "/")
- Meta Keywords – Add your Meta keywords here.
- Meta Description – Add your Meta description here.
- Email – Your email address where users can contact you. This will be used in your contact us form.
- Facebook App ID – See the next step (05) to learn how to setup your Facebook app ID
- Facebook Fan Page – Your Facebook fan page URL
- Twitter URL – Your twitter URL
- Auto Approve Posts - If you like all your posts to automatically approve upon submission keep this setting "ON".
- Template – Chose site template.

**Important:**

Please make sure to add site URL without adding "http://" and without the end "/"

Ex: Correct way: Top level domain - www.your-site.ext or Sub domain - yoursubdomain.yoursite.ext

### Site Settings

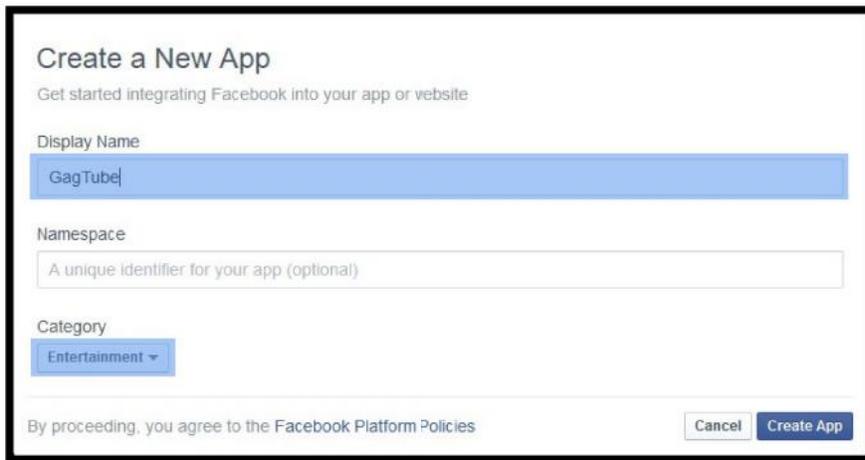

Site Name	<input type="text" value="Your-Site-Name"/>
Logo (182px x 47px)	<input type="button" value="Browse.."/> No file selected.
Site URL (without "http://" and end "/")	<input type="text" value="Your-Site.Ext"/>
Meta Keywords (Separated by Commas)	<input type="text" value="Add Your Meta Keywords Here"/>
Meta Description	<input type="text" value="Add Your Meta Description Here"/>
Email	<input type="text" value="You@YourSite.Ext"/>
Facebook App ID	<input type="text" value="Facebook App ID"/>
Facebook Fan Page	<input type="text" value="https://www.facebook.com/flippyscripts1"/>
Twitter URL	<input type="text" value="https://twitter.com/flippyscripts"/>
Auto Approve Posts	<input type="text" value="ON"/> <input type="button" value="v"/>
Template	<input type="text" value="Default"/> <input type="button" value="v"/>

## 05. Setting up Your Facebook App ID

**Step 1:** Point your browser to <http://developers.facebook.com/setup/>

**Step 2:** Login to Facebook using your Facebook account information.

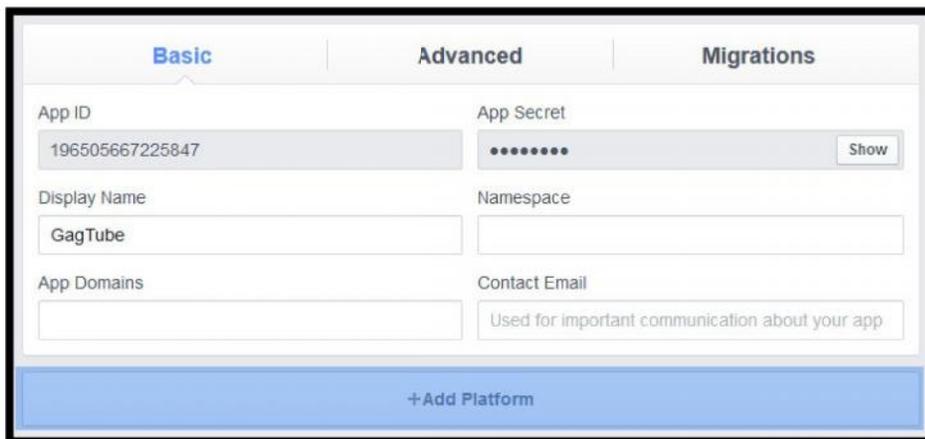

**Step 3:** Navigate to “Apps-> Create a New App” and fill out necessary information in the popup window.

The screenshot shows the 'Create a New App' form. At the top, it says 'Create a New App' and 'Get started integrating Facebook into your app or website'. Below this are three input fields: 'Display Name' with the value 'GagTube', 'Namespace' with the placeholder 'A unique identifier for your app (optional)', and 'Category' with a dropdown menu set to 'Entertainment'. At the bottom, there is a checkbox for 'By proceeding, you agree to the Facebook Platform Policies' and two buttons: 'Cancel' and 'Create App'.

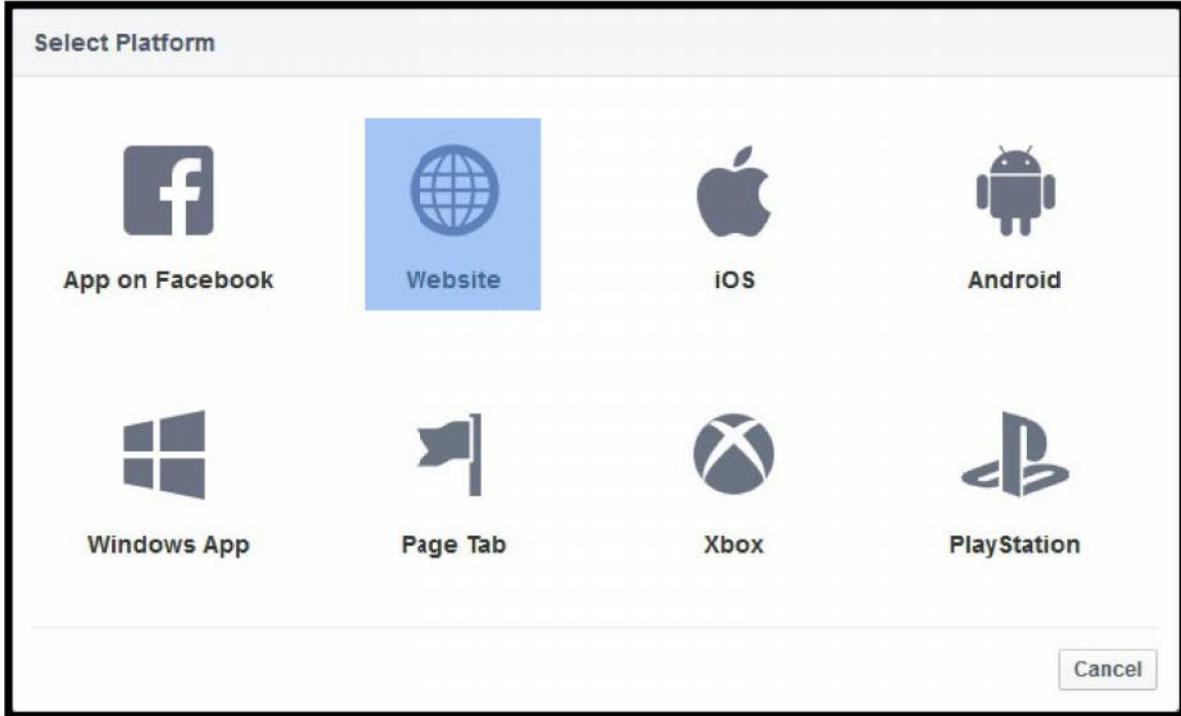

**Step 3:** Enter the captcha code and submit.

**Step 4:** Navigate to “Settings” from left side menu and click “+ Add Platform”

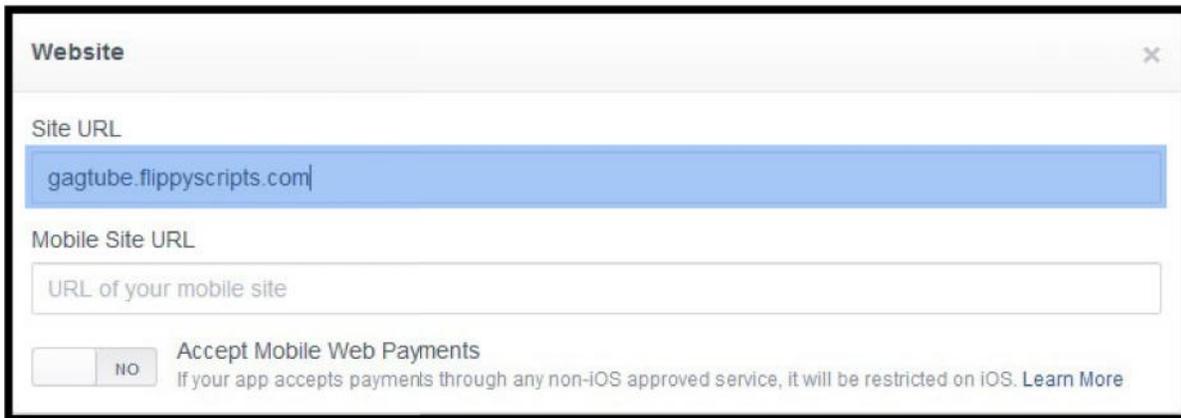

The screenshot shows the 'Settings' page for a Facebook app. It has three tabs: 'Basic', 'Advanced', and 'Migrations'. Under the 'Basic' tab, there are several fields: 'App ID' (196505667225847), 'App Secret' (masked with dots and a 'Show' button), 'Display Name' (GagTube), 'Namespace' (empty), 'App Domains' (empty), and 'Contact Email' (empty, with a note 'Used for important communication about your app'). At the bottom, there is a blue button labeled '+ Add Platform'.

**Step 5:** Click website on the popup window.

**Step 5:** Fill out the “Site URL” field in the website section and save changes.

**That's it. Now you can use the App ID in your website.**

## 06. Dashboard

By navigating to "Dashboard" you can get a quick view of total videos, total site views, top 10 latest submits and more.

## 07. iDevices "Add to home screen" icons

We have added a feature called "Add to home screen" for Apple mobile devices such as iPhones, iPods and iPads. To add your own icons for this feature you need to edit 4 images inside the Flippy GagTube\images folder.

### Image Names and Image Sizes

- touch-icon-ipad2 (144px X 144px)
- touch-icon-iphone4 (114px X 114px)
- touch-icon-ipad (72px X 72px)
- touch-icon-iphone (57px X 57px)

**Important:** Please make sure to use above image names and sizes for the images you create. Also these images must be in .PNG format.

## 08. Manage Pending Videos

**Note:** This option only required if you're "Auto Approve Posts" settings set to "OFF" in site settings.

**Step 1:** Navigate to "Posts -> Manage Pending Videos" from navigation menu.

**Step 2:** Follow the information below to learn how easy it's to manage your site content.

- By clicking on the title or details button of any post you can preview the post (Video and all the info).
- Use action buttons to manage your posts.
- Use Approve button to approve any post.

## 09. Manage Approved Posts

**Step 1:** Navigate to "Posts ->Manage Approved Videos" from navigation menu.

**Step 2:** Follow the information below to learn how easy it's to manage your site content.

- By clicking on the title or details button of any post you can preview the post (Video and all the info).
- Use action buttons to manage your posts.
- Use "Disapprove" button to make any approved post disapproved.

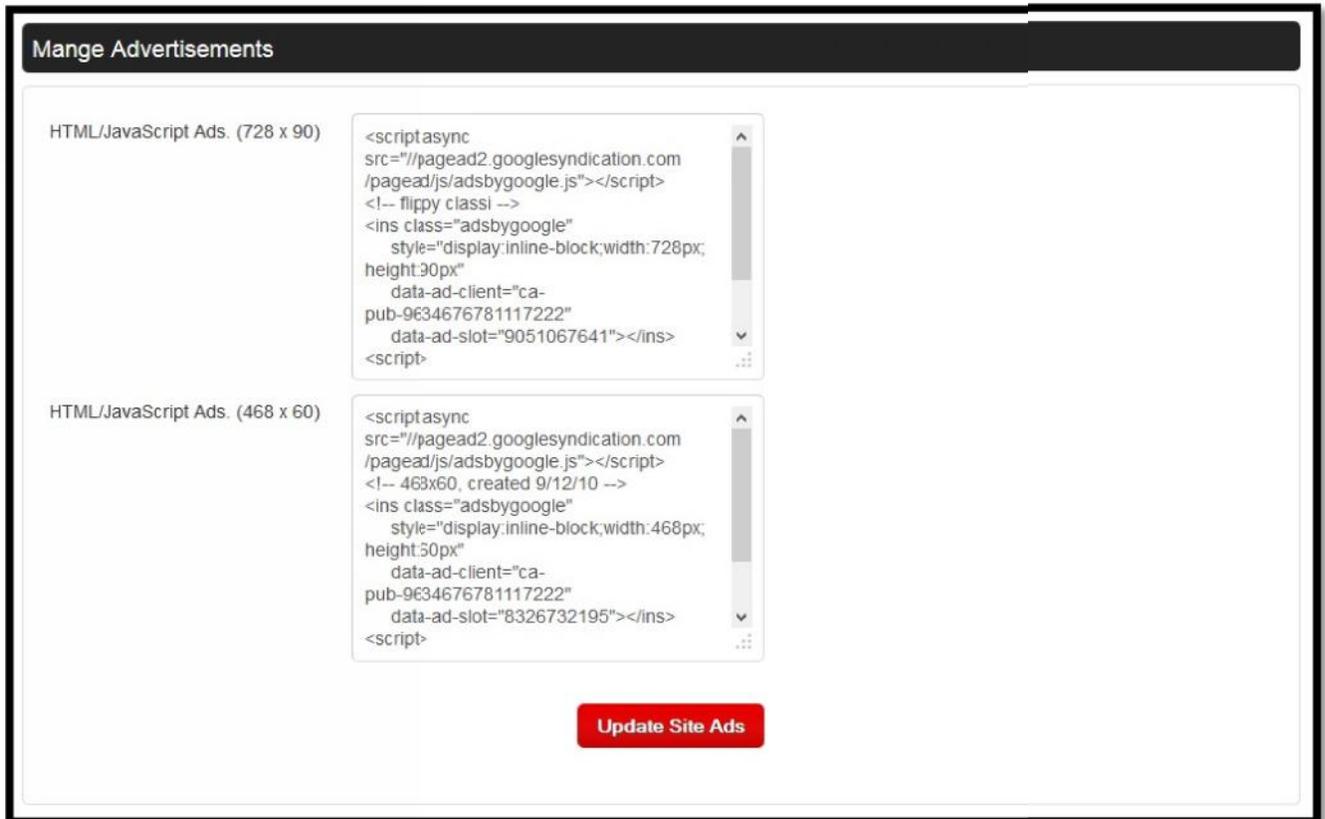

Title	Added Date	Actions
<a href="#">Cleopatra VS Marilyn Monroe</a>	February 15, 2014	<a href="#">Delete</a> <a href="#">Disapprove</a> <a href="#">Edit Info</a> <a href="#">Details</a>
<a href="#">Pacific Rim Honest Trailer</a>	February 15, 2014	<a href="#">Delete</a> <a href="#">Disapprove</a> <a href="#">Edit Info</a> <a href="#">Details</a>
<a href="#">Funny Gipsy Wedding</a>	February 15, 2014	<a href="#">Delete</a> <a href="#">Disapprove</a> <a href="#">Edit Info</a> <a href="#">Details</a>

## 10. Advertisements

**Step 1:** Navigate to “Ads” from the navigation menu.

**Step 2:** Use HTML/JavaScript based advertisement codes and click "Update Site Ads".

The screenshot shows a web interface titled "Manage Advertisements". It contains two ad slots, each with a label and a corresponding code editor. The first slot is labeled "HTML/JavaScript Ads. (728 x 90)" and contains the following code:

```
<script async
src="//pagead2.googlesyndication.com
/pagead/js/adsbygoogle.js"></script>
<!-- flippy class -->
<ins class="adsbygoogle"
style="display:inline-block;width:728px;
height:90px"
data-ad-client="ca-
pub-9634676781117222"
data-ad-slot="9051067641"></ins>
</script>
```

The second slot is labeled "HTML/JavaScript Ads. (468 x 60)" and contains the following code:

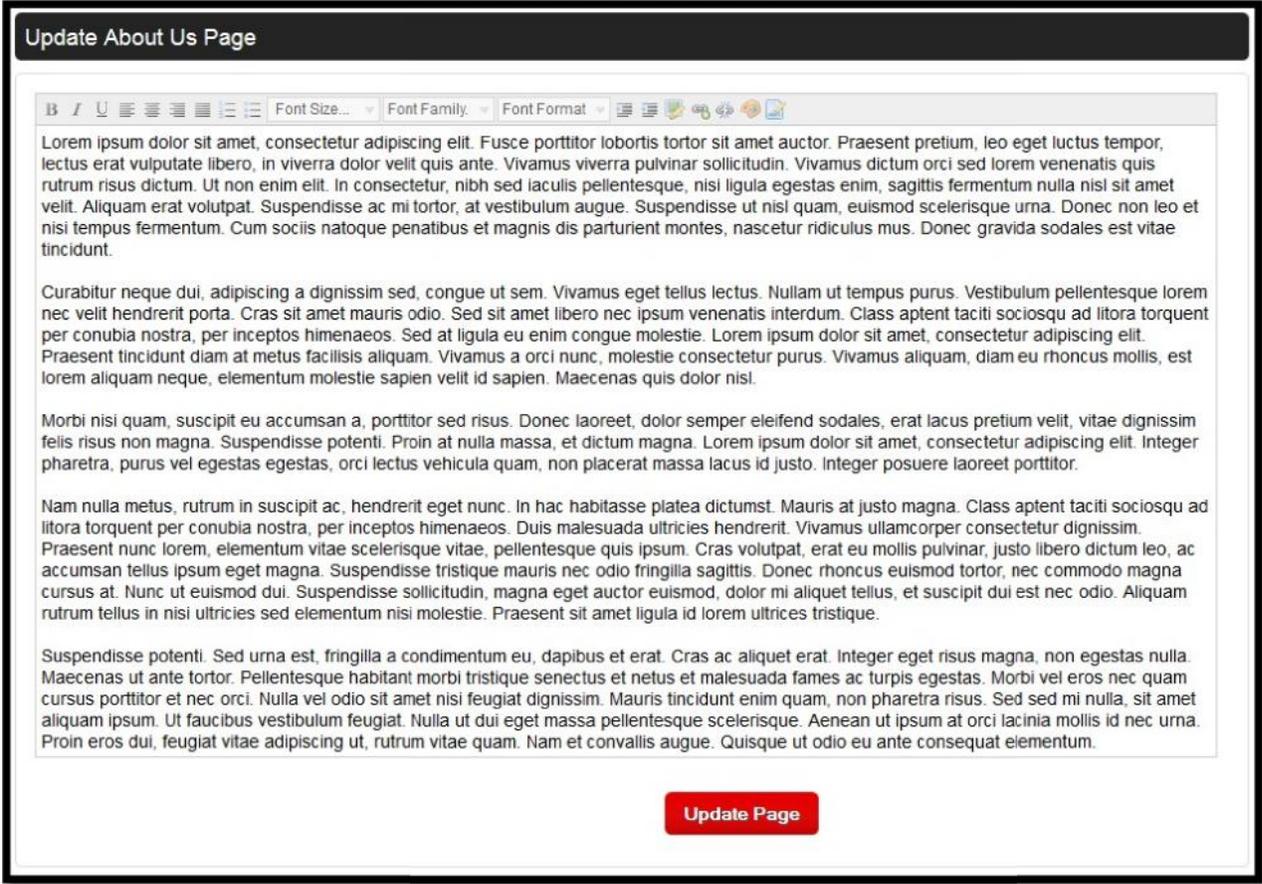

```
<script async
src="//pagead2.googlesyndication.com
/pagead/js/adsbygoogle.js"></script>
<!-- 468x60, created 9/12/10 -->
<ins class="adsbygoogle"
style="display:inline-block;width:468px;
height:60px"
data-ad-client="ca-
pub-9634676781117222"
data-ad-slot="8326732195"></ins>
</script>
```

At the bottom of the interface is a red button labeled "Update Site Ads".

## 11. Manage Pages

**Step 1:** Navigate to “Manage Pages -> Page You Want to Manage” from the navigation menu.

**Step 2:** Use WYSIWYG (What You See Is What You Get) HTML editor to add/update the information as you required and then click "Update Page" button to save the changes.

The screenshot shows a web editor window titled "Update About Us Page". It features a standard WYSIWYG toolbar with options for bold, italic, underline, text color, background color, bulleted list, numbered list, link, unlink, and image. Below the toolbar is a large text area containing several paragraphs of placeholder Lorem Ipsum text. At the bottom right of the editor, there is a prominent red button labeled "Update Page".

**If you need any help or face any problems regarding our products please don't hesitate to contact us. Thank you for choosing Flippy products.**
